SPEAKER MARVEL: All those in favor of that motion vote aye, opposed vote no. We're simply voting on the adoption of LR 175 as amended. Have you all voted? Record.

CLERK: 25 ayes, 0 nays on adoption of the resolution, Mr. President.

SPEAKER MARVEL: Senator Warner, are you ready for LR 176? It has to do with what...Performance...

CLERK: Yes, Senator, it's on Page 2267 and it is the one dealing with the Performance, Review and Audit Committee.

SENATOR WARNER: Mr. President, I move adoption of the resolution. What the resolution does, it's...merely it is corrective to the Performance, Review and Audit Committee to continue with the development of the uniform information system relative to higher education. We had a lengthy meeting the other evening and this resolution is a result of that, and in effect it merely says that this Committee will continue with this and reporting back to the Legislature the progress of its implementation and its directive to that effect. That's all the resolution does.
